

# Injured at Work?

## Report it!

For everyone's sake.

Here's what to do in **three simple steps**:

1

Notify your employer using your school board's formal workplace injury reporting system. Keep a copy for your records.

2

Complete a **WSIB Form 6**. Visit [etfo.ca/link/wsib](https://etfo.ca/link/wsib) or click [here](#) to access the form. Submit the form to WSIB electronically or by fax. Provide a copy of the form to your school board and keep a copy for your records.

3

Seek medical attention as soon as possible. Inform your doctor that this is a workplace injury to ensure they complete **WSIB Form 8**. Provide a copy of Form 8, page 2 to your school board and keep a copy for your records.
